DELTA SECONDARY SCHOOL

HAMILTON, ONTARIO

EDITORIAL

On January 2, 1963, an anonymous letter was published in the Hamilton Spectator. It was addressed to "The Editor of the Yearbook of My Old School" and signed simply "A Grad." (The Spectator later informed us by mail that the school was Delta and that the yearbook was the Lampadion.)

Thinly disguised by a tongue-in-cheek complaint that predictions made in the 1952 Lampadion concerning the future of "A Grad" and his classmates had not come true, was more nostalgia than we who now attend Delta could ever consider ourselves capable of expressing.

Although we may complain of small annoyances and petty grievances and disagreements with our long-suffering faculty, we are basically proud of our school. We may not say so among ourselves, but there are few of us who would not have Central or Westdale know that Delta is the best.

No matter what we may think of Delta now, our appreciation of it will increase through the years, as the future which it is helping us to build becomes a reality. Then, we too shall look back with nostalgia upon our days at Delta. Then, too, we shall discover that our memories have dimmed--that details escape us.

Here we have the real purpose of the Lampadion: to recall to us these memories; for there are records kept of marks and conduct, but only our minds and the yearbook keep alive those memories of the clubs, activities, sports, and social life which we have enjoyed during these few years.

Perhaps the real purpose of the Lampadion can best be summed up by our anonymous "Grad," who wrote, "....primarily it is a book of the future; it really begins its life years after it is printed, when it delights eyes that have been adorned with fine sets of crow's feet, and created momentary patriarchs of thirty who scan these pages and say, 'I remember when....'"

NO CEILING IN ENGINEERING

● Every year brings challenging new demands to Canadian engineering. The nation's rapid industrial expansion . . . the need for more advanced scientific defence techniques . . . the desire of Canada's people for better living through the products of engineering . . . all these keep the horizon steadily broadening for the country's engineers.

Matching the new demands are new engineering advances that give promise of further development with no limit in sight. To the student with ability in maths and science, Engineering offers a stimulating and rewarding future.

PRINCIPAL'S MESSAGE

"Where there is no vision, the people perish." Proverbs 29:18

In all achievement there are three definite steps. First, there is the vision, the dream, or the birth of an idea. Then comes the planning of how to make that vision a reality. The third step is the most difficult of all--the work, the sweat and tears, the sacrifices necessary to translate the vision, the plans, into a living reality.

An architect dreams of building a beautiful church. He has visions of how that church is going to appear when completed. On the drawing board he translates that vision into blue prints, Then, and only then, can construction begin to create the building of his dreams.

The coach dreams of having a championship team. Careful planning follows on how this can be achieved. Then comes the hard part--the selection of players, the long hours of practice and coaching, the disappointments, and frustrations, mixed with occasions of elation and success--then victory and the realization of his dream.

Possibly the most important dreaming and planning in all the world of achievement occurs in the dreaming and the planning of young people of their lives.

Have you a Master Plan for your life? Have you a vision? But what is more important, have you the stamina and the qualities of character essential to bring your visions and plans to fruition?

"Where there is no vision, the people perish."

VALEDICTORY ADDRESS

1961-1962

Mr. Chairman, Mr. Waddell, Honoured Guests, Members of the Faculty, Ladies and Gentlemen, Fellow Graduates of 1962.

Tonight I feel both strangely proud and sincerely humble to be standing before you--the parents, former teachers, and friends of the graduates--expressing the mixed emotions of the individual graduates. I am sure any one of us could express his own personal experiences and feelings on this occasion, many of which cannot be shared. In the true sense of the word gratitude, we must say "thank you" for the knowledge and experience gained here at Delta.

We must first express our gratitude for the education we have received. This education has prepared us for the road that lies ahead--in industry, in commerce, or in a higher institution of learning. We are indebted to Delta for the sense of responsibility instilled in us--a personal trait that will last throughout our lifetime.

Thanks also must be given to Mr. Waddell, a man at the pinnacle of success who continually finds the opportunity in his time-consuming responsibilities to take a personal interest in each of his students. Thanks also go to the faculty for the guidance, encouragement, and patience they have given to us, especially for the many hours of extra teaching. They have helped guide our lives, and while we are often eager to blame them four our failures, we must give them credit for any successes we may attain.

Looking back over the four, five or more years at Delta, we remember the many varied extracurricular activities. Though these activities are called extracurricular, they are actually a part of education--an important part. They have instilled in us a sense of responsibility, co-operation in working with others and respect for their opinions, experience in leadership, and the importance of displaying a sportsmanlike attitude. These qualities are more important than the diplomas and awards received this evening.

We remember the teams we cheered on to victory and the teams that couldn't quite make the grade. We remember cheering at the top of our voices as the winning basket, touchdown or goal was scored in the last seconds of a game. We think of the excellent concerts of our choir and orchestra, especially the work that went into the production. The annual Variety Show will always remind us of the exceptional talent at Delta. The excitement of competing for office in the Lampadion Association, the enchanting decor of the gymnasium decked out for the many dances, the New York Tour at Easter and the many clubs will be fond memories for years to come.

This evening is also an important occasion on which to renew old friendships. Tonight will give us the opportunity to reflect on our own personal experiences and to talk over old times but we will gain, subconsciously, a deeper appreciation of Delta. But the time comes for departure.

Perhaps leaving Delta can be compared with leaving home to face the world of tomorrow. We are a part of Delta, a part of her tradition and a part of her history, as our predecessors were a part of Delta. We leave a portion of our life behind us as we take our formal leave. We have matured here. For a number of years our lives revolved around Delta; the centre of our world has been this school. We leave Delta, knowing that our life here has been rich and rewarding experience.

Tonight is our night. May we have the fortitude to live up to the honour and praise given to us by those present this evening.

THE TWELVE SYMBOLS OF TIME

Take time to think; it is the source of power;

Take time to play; it is the secret of perpetual youth;

Take time to laugh; it is the music of the soul;

Take time to read; it is the fountain of wisdom;

Take time to work; it is the price of success;

Take time to be patient; it is the threshold to wondrous works;

Take time to love and be loved; it is a God-given privilege;

Take time to smile; it is a ray of sunshine from within;

Take time to be friendly; it is the road to happiness;

Take time to give; it is too short a day to be selfish;

Take time to be pure in heart; it is they that see the Lord;

Take time to pray; it is strength to the mind.

TURN TO GOD

When in times of deep thought,
I think of all the problems wrought
And all the violent battles fought
By insignificant presents bought.
I tell myself, "Of all the crimes
Recorded in the books of rhymes
None compares equal to all the times
Money is wasted, either quarters or dimes.
People spend money, hard acquired
Like men gone wild, or by tempers fired.
Then, when in debt they find themselves mired
Their hopes and prayers quickly turn skyward.
Then God as always comforts and hears them,
Chides them, rides them and re-directs them."

Greg Munce 12 G 3

THE CITY

Slowly, painfully, the years have crept on,
Leaving a shadow across the fading dawn,
What has been done on this spheriod called Earth?
Land of all hate, place of death and of birth.
Has it all been as useless as time seems to say?
It laughs at me, tells I'm old and I'm grey.
It seems that once; an eon ago
There was a purpose: But oh!
T'was ages since this feeling possessed
My heart and my soul, entrenched in my breast
The beauty of nature cannot be seen
By those who are trapped in life's endless stream
Of mindless souls, adrift on a sea
Tortured, perverted, distorted and sad,
Is the world of a man, but, oh, am I glad
That there's beauty and peace on this wonderful sod
Take time, look around,
It's the face of My God.

Gerry Dion 12–G–4

City, dawn, smoke-filled skies
Staring, awakening, morning cries
Of sleepy people, yawning sighs.
Reluctant to face the day.

City noon, smoke-filled skies
Whistles, bustling, lunch-time ties
Of people, uttering full-stomached sighs
Reluctant to face the job.

City, supper, smoke-filled skies
Eating, talking, playful childrens cries
Of happy people at firesides
Through with another day.

City, bedtime, full-filled skies
Rumbling, silent, contented sighs
Of the city--The Ambitious City.

CHRIST OR DESTRUCTION?

They say that they will bury us, but will they? I say no, for although the Communists are one of our main problems concerning peace, their theories are based on false concepts in which they consider the soil and man as basic tools of the state.

Lazyness of man and lost vision of life are two disturbing problems of our time that have enabled these false concepts of the Communist machine to gain as much power and authority as they have today.

Man has become lazy; he has become afraid to accept the responsibilities of life and has thus shrugged them off onto a few known people who must carry the whole burden of the world on their shoulders. This leads us to our next problem.

Not only has man become lazy, but he has almost entirely lost the vision of life. He has gradually turned away from his Creator and has refused to accept the idea that God and only God can save him. When man, the apparent superior being on earth, is turned away from his salvation, it becomes easy for certain people of average intelligence to take command over him. A good example of these two problems which shows how they have robbed man of peace would be the situation in ancient Rome.

Rome at the time of the great Roman Empire was the strongest nation in the world but it was completely destroyed. Why? because of the following reason:

Rome spent excessive amounts of money on defense to protect the city from invaders from the many barbarous groups outside of Rome. However the real threat to Rome's security was not outside of Rome. It was inside! Yes, inside Rome there was a tendency to lean heavily towards sports, to the unmerciful destruction of Christain Humanity. The money which was spent on defense could have been used to promote Rome's culture and bring the two groups of people into a more unified city.

The decline of the Roman Empire happened thousands of years ago, but the reason for this decline could also pertain to our time, the modern age where everything is supposedly moving forward.

The fact that God can keep us from losing this vision of life can be clearly depicted if you look back as far as the last two world wars.

During the first World War when the powerful Kaiser troops had almost entirely swallowed up Europe, King George V asked for mass prayer for the allied troops. What can account for the recovery of the allied troops and the defeat of the Kaiser except the prayers of the masses of the people and the fact that God wasn't forgotten; that he was behind us.

More recently, in World War II, when the allies were almost pushed out of Europe and trapped on the shores of Dunkirk, King George VI asked for mass prayer from the people, for the thousands of trapped soldiers. Even the smartest generals of that war, to this day have been unable to understand the strange happenings that led to the evacuation of Dunkirk, and the defeat of Hitler.

Lost vision seems to be the most dangerous enemy to mankind. Jesus told us to find relationship with God first and then seek the wishes of life. Many young people who start out in life are told to play the game but how can they if they have no idea where the goal posts are; that is, unless they have relationship and believe in God.

Today with the ever increasing tension of nuclear power and the apparent lack of escape from a nuclear war, it is even more important that we not lose the vision of life but retain it, obtain a firm grip on it, by turning to God for the answer to our problems and world peace.

Don C. Pryde
10–D–10–3

The tide thunders in on the defenceless shore, and somewhere in the distance a sea-gull cries. The cruel receeding water tears at the sand, and drags it into the sea. Hoping for solitude, a tiny insignificant grain of sand hides under a rock on the shores of oblivion. The water explodes once more and spreads its shroud of destruction. Under the rock, the grain of sand quakes, envying the power of his protector. The rock leers down at him with looks of self-importance, void of all pity and compassion.

There comes a smashing wave that hurls the rock into the ocean of purgatory; gone forever. The sea subsides leaving the grain of sand on the shore, alone to live uncontrolled; to think freely without fearing the hateful leer of that stone. Alone he wanders, seeing only the sea and the sky and truth. On the borders of infinity he is happy. Saved by the fickle-finger of fate he exists in enlightment. Free from the status-seeking socialite stones he lives and thinks in peace. Oh someday that I might be a grain of sand!

Jerry Dion 12 – G – 4

DECLARATION OF THE HAVE-NOTS

WE DESIRE that which you have--peace, security, a chance to enjoy life at its fullest.

WE ARE in a pit. You sit on the edge. We stand in a pit, but are proud. You sit, and look, and sneer. You can see no reason for pride. Because you feel pity, you give us gifts.

YOU GIVE us gifts! Food tossed to animals! We do not want gifts! We do not want degrading, humiliating gifts! We are proud. Have respect for our pride. Give yes, but do not give out of pity. Give with a purpose.

WHAT YOU give now is merely a pile. It has no shape, pattern, or order. If you must give, give us a ladder to help us from our pit.

WHAT IS a ladder? It is a government, to lead. It is education, to understand. The ladder has two rungs.

THE LADDER will put us on the ledge of the pit. Then will the cup be full. We will be equals not only before God, but before men!

J. T. Bartkiewicz.

LOST

What can one do,
When one is lost,
And beauty cannot see
To reach and grope,
But never find
The things that used to be.

Why? Close your eyes
To all that's fine,
A hand is always near,
When one is lost, turn around,
And close your heart to fear.

Already one can see a light
It's happiness you'll find,
For you, its no cost
But peace of mind, no longer lost.

Bev Brown, 10–D–10

VISION OF A HORSE

There he stands,
A brazen statue,
His mane and tail
Floating
In the wind;
His nostrils
Tasting the smell
Of distant clovers;
His ears, sentinels
Guarding his freedom.

And lo!
The twitch of a nostril
In the air,
The ripple of a muscle
In the evening sunlight,
The pawing
Of a white-stockinged foot,
And he is off
To follow his heart
Into the distance.

WAR

In conflict twice the world has been,
By men who were intent and keen
To gain the world by their own hand,
O'er sea and on the spacious land.
By plane and ship the battle went,
Until we had our forces spent.
Although it was a mighty loss,
We fought the foe till we did toss
Them through the walls of War's defeat,
And threw the foe down at our feet.
Twice they failed and we did win
The mighty battle 'gainst their kin.

But war is still our planet's curse
The nations still their grudges nurse,
We'll fight sometimes for our appease
Until our fair world lies at peace.

David Liscombe

SATAN'S ILLUSION

"I have crushed civilizations, captured spirits, broken homes, made friends, foes, all to achieve one sole purpose--to destroy mankind. I, the most magnificent creature created for the object of destruction, have the greatest chance to win this war. Everything is on my side: human weakness, passions, desires, the opportunities and aspirations which the world has to offer. These creatures killed their only Saviour; now it is only a matter of time. A matter of time--why I almost succeeded in the time they call the Twentieth Century--a radioactive planet filled with unprepared souls. Even so, my powers stretch to the limits of time and space--when the universe was created, I was formed. I am ruler of this domain-ah! ah! ah!--this domain of hell--ah!--and earth. Perhaps in the near future I shall have them, but only if--yes, only if! I will do it at once." So thought Satan as he prepared his New Year's resolutions.

HUMOUR

Satch: (swimming) Hey look at me! I can keep my head above the water.
Roy: Of course you can silly; everyone knows wood floats.

Dorothy: My lipstick's iridescent, it shines in the dark.
Frani: That's handy isn't it.

Baby Stork: Mamma, where did I come from?

Mr. Allison: You missed my class yesterday, didn't you?
John W.: Not in the least, sir, not in the least.

"Beg your pardon, but aren't you one of the high school boys?"
"No. It's just that I couldn't find my suspenders this morning, my razor blades were used up and a bus ran over my hat."

Harry: "I'll never wear this red suit again."
Larry: "Why not?"
Harry: "I yawned on a street corner this morning and two people dropped letters into my mouth.

As you pass by, friend, shed a tear, for Jackson Nye is sleeping here;
He trailed a dame into her flat, Her hubby came--and that was that!

Joe: Why did the Head Doctor begin as a Foot Specialist.
Don: I don't know.
Joe: He wanted to work his way up.

Joe: My girl said she'd be true to the end.
Sam: What's the matter with that?
Joe: I'm a fullback.

SOCIAL COMMITTEE

The new Social Committee began the school year under the direction of Chairman Jan Barrett. The other members of the executive were: Vice-Chairman, Jack Petrie; Secretary, Sandy Kernaghan; Treasurer, Jane Ilecic; and Art Rep., Doris Foti. Our teacher counsellors Mr. Brunatti, Mr. Crosthwaite, Mr. Harrison, Mr. Laxton, and Mr. Long must be thanked for their excellent help in organizing the dances. Most members of this year's committee were new to office but a great effort was put forth to make this year a social success.

CORNPONE'S CAPER NOVEMBER 2, 1962.

The first dance organized by the committee was a Sadie Hawkins with couples only. The Hi-Fi's were D.J.'s for the evening and Tom Lofchuck appeared as Marryin Sam. The committee provided rings and marriage certificates for the "ceremony". The decorations consisted of cornstalks, pumpkins, orange and black streamers, and murals on a "Dogpatch" theme. The Camera Club took pictures so that everyone could remember what a wonderful time we had.

MISTLETOE MASH DECEMBER 21, 1962

The Christmas dance was held the day we started the Christmas holidays and was a tremendous success. Every ticket was sold and about 200 were turned away from the door. Willie Skarratt was our D.J. and he did a wonderful job playing requests and dedications, as well as records from the past and the Top Ten. Santa appeared with two cute helpers and provided a lot of fun for all. The decorations were red and green streamers, murals and lots of mistletoe.

Linda Hall, Ron Hebbard, Chris Brown, Sylvia Adams, Mr. Cooke, Judy Liscombe.

ANNUAL PRODUCTIONS COMMITTEE

Due to the hard work and drive of one of our teachers, Mr. R. Cooke, this year's committee decided to produce the play "Our Town" by Thorton Wilder. This play has won the Pulitzer prize for drama.

It is a play about people in a small New Hampshire town just after the turn of the century.

Mr. Cooke directed the play. The costumes were made by the girls in the Home Ec. Department. Linda Hall, and Christine Brown along with Miss McDermont were in charge of make-up; and Judy Liscombe was in charge of Publicity.

This was the first production in the last three years to reach the rehearsal stage; so the committee was sure of a great success.

The members of the cast were Bruce Jonew, Lenore Balas, Brian Shoesmith, Mel Colburn, Grace Grubb, Leslie Wolfe, Marilynne MacDonald, Joy Jones, Larry Levely, Norm Allen, Mechae Bonner, Al Dredrick, Lyn Serafin, Bob Dodgson.

OMNIA

When the new school year opened Omnia was delighted to have Mr. T. Leeder as its teacher counsellor. The staff was small and most of the work was left to the executive who worked diligently all year. The editors were Ted Hammond, Val Blair, and Brian Linehan. Dave Morrison held the post ot Treasurer and Lamont Webb was Secretary.

Thanks must be given to the writers who did a superb job throughout the year.

If more students would participate in this interesting organization an even better newspaper could be produced and less work would be left to the dedicated few. Omnia is a newspaper for the students, by the students. It needs your support.

CONCERT BAND

The band this year lost many first chair players through graduation, but gained many new instruments.

Having had no trip last year, the band is eagerly anticipating the planned trip to Erie, Pennsylvania in the spring of 1963. To raise funds for this annual Spring Festival of Music will be held.

The recordings made of last year's Spring Festival were excellent and sold very well. Included on the records were such favorites as: Victory at Sea, Camelot, Flower Drum Song, and Apache.

So far this year the band has played at assemblies, the Christmas Concert, and the commencement.

The Choir began the year with an engagement at the Connaught Hotel. The members were invited to sing at the Welsh Festival of Music and were highly successful in presenting Gloria in Excelsis and All Through the Night. Another highlight, was the commencement when the Choir performed "Turn Back O Man."

During December, two auditoriums were held in which the Choir took part in a fashion true to the Christmas spirit.

Forthcoming events will keep the members hopping. The girls hope to enter a triple trio in the Kiwanis Festival, and along with that the Choir will be practising numbers from "West Side Story." Many old numbers will be revived also.

The club began a successful year with an enrollment of about 60 members. Trophies this year will be donated by the Bolodrome.

The top bowlers of the student league have again challenged the unbeaten teaching staff to a contest. So far the club is heading towards its most successful year.

The executive this year was made up of Al Wilson, President; Bob Egan, Secretary; and Bill Shugan, Treasurer.

Many thanks to our teacher counsellor Mr. Hutchings who was also an active member.

THE DELTA SECONDARY SCHOOL CAMERA CLUB

With the help of Mr. Lewis this year's club has been a great success.

Our President was Alex Lawryk; Vice-President, Norm Yeates; Secretary, Bruce Davees; and Darkroom Technician was Bill Turner.

We had a good, large programme this year. Bill Turner and Norm Yeates demonstrated development of films and enlarging of prints. Mr. Lewis arranged a tour through the Lapp Photo Finishing Plant; a few members participated in table-top photography. Alex Lawryk obtained movies every month on photography and started the darkroom improvement campaign. We also had reports, contests, and trips throughout the year.

For the school we took Graduation Dance Photos, Grade Nine Portraits, and most of the other activities of this year.

This year we have started the club in a forward motion and hope that next year will be just as successful and enjoyable.

THE DELTA WORLD AFFAIRS CLUB

Teacher Counsellor: Mr. Eatock
Student Co-Ordinator: Gary Arthur Pollard

As the name implies, Delta's World Affairs Club has the purpose of bringing to the attention of the student body those dominant world events which shape our future. Through speakers, debates, and films, we hope to make the study of these events both enlightening and interesting. An example of how we handle a topic can be found in our November program, which was a study of the United Nations. This program began with a film on the origin and character of the United Nations and ended with a discussion by Mr. Wong on the role that the United Nations can play in our modern world. More than ever, the young citizens of our country must be acquainted with the character of the world outside; and therefore, the importance of such organizations as "The Delta World Affairs Club" cannot be underrated.

BUGLE BAND

In 1962–63 Delta's Bugle Band experienced one of its most successful years yet. Under the capable leadership of our new teacher counsellor, Mr. Houghton, and a good nucleus of last year's members the band was able to get off to a good start early in the year.

It is well known that the banging of sticks and the blasting of horns every noon hour from the west side of the school is the result of the members practicing their music. But it is not known that at the beginning of the second term the band took over the boys' gym at 8 o'clock two mornings a week to practise drill, in order to put on good shows as representatives of Delta.

The band participated in many church parades, road race parades and the annual cadet inspection. The biggest trip was to Buffalo for the Saint Patrick's Day Parade where the band played before one hundred and thirty-five thousand people during a five mile march. The ranks of the band were filled this year with an average membership of over thirty-five. Assisting our teacher counsellor were the band officers: Cpl's.-Wayne Gowland and Ray Andrew, Sgt. Ed Farback and Drum Major Ken Rowland.

WRESTLING CLUB

DELTA SECONDARY SCHOOL SCIENCE CLUB

If you are interested in botony, chemistry, astronomy, or any other branch of science, the organization to join is Delta's Science Club. Formed in October, this club has received good response from the students of Delta. We elected Mary Katernuk and Mark McCann as co-Presidents; Kay Dinning as Treasurer, and Patricia Hughes as Secretary. Mr. Browne, a teacher new to Delta this year, was responsible for forming the club and has helped us greatly. Although at the time the club is composed mainly of grades nine and ten, we hope to interest some of the senior school, as well. At the moment we have a trip to the planetarium at McMaster planned and hope to visit, as well, industries such as the Steel Company, the Ford plant, and the Studebaker plant. One trip which is in the future but one that we are looking forward to with a great deal of pleasure is a visit to Guelph Agricultural College. We meet in Room 302 every Tuesday noon, and divide into groups to enable us to pursue our various interests. We hope to have a film once a month, a demonstration or speaker once every four weeks, and free time once or twice a month and trips as often as possible. As an example of the free time, some members hope to grow a bacteria culture while others breed tropical fish. We welcome anyone sincerely interested in science, and who would be a helpful addition.

LIBRARY CLUB

The club consisted of 50 members, 5 working each time the library was open. After a brief instruction period, each member aimed for the following: junior badge, intermediate badge, senior badge, pin, guard, and ring. A merit badge for anyone working extra hours was also available.

The executive consisted of: President, Rose Rayduk; Vice-President, Ann Rose; Corresponding Secretary, Olga Trescot; Recording Secretary, Marilyn Penick; Treasurer, Helen Ohorodnyk.

The social functions that were arranged by the Publicity Committee were a roller skating party and a bowling party. The members are looking forward to a picnic at the year's end.

A clerk, Mrs. Boigelot, was sent by the board to help in the library.

Bibliographics and brief samples from books were distributed to the members by the staff counsellor, Mr. Lethbridge.

Lower school students in grades 9 and 10 were given training in using the library.

STAGE COMMITTEE

The executive of the Delta Stage Crew this year are: Edward Cawsey, Chairman; Ron Hebbard, Secretary-treasurer and Annual productions Representative; Less Roberson and Brian Knight, Social Committee Representatives; and Mr. A. Woods as Teacher Counsellor.

The Stage Crew performs their services at the three weekly auditoriums, basketball games, dances, concerts, plays, and a new feature which is remote control film projecting in the auditorium so that a student acting as the projectionist can miss very little time from classes. Also our services are often hired out to industries, religious groups, shows, etc.

This year we have tried to improve the stage by wiring in some old flood-lights to make our present set up more versatile, and have added seven hydro outlets for better service.

This year the Stage Crew started out with four regular members, but many students became interested in our committee and the number increased to around twenty-five members. These members are being trained in all phases of our work, and are helped by our weekly meetings where we discuss how we can improve.

We would like at this time to thank Mr. Doherty and Mr. Graves and his staff for their co-operation in making our committee more successful.

MUSIC APPRECIATION SOCIETY

This year, the meetings of the Music Appreciation Society, took place in Room 105 every Tuesday at noon. The teacher counsellor, Mr. Hickox, played recordings of jazz, folk, and classical music. In this year's club, the emphasis was on classical music, and works by Bethoven, Brahms, Bach, Prokojiev, Tchaikowsky, Elgav, Vaughan Williams, Manuel de Falla, and other composers have been played. The informal nature of the club made an executive unnecessary, and anyone who wished could bring his lunch and spend the noon hour listening to good music.

CURLING

The Delta Curling Club, this year, was fortunate enough to be invited by the Glendale Curling Club to use their facilities for curling. A good turn out of students made use of this large spacious rink. Teacher counsellors were Mr. Laxton and Mr. Ahrens. They provided excellent leadership for this group and offered individual attention. Members of the Glendale Curling Club kindly offered their time and help to teach us the games fundamentals. We hope to engage in interscholastic competition this year, and we feel we will have a successful year for our curling teams.

THE RIFLE TEAM

To most of the students of Delta, the Rifle Team is somewhat of an unknown activity. To be a member you have to be a cadet and a good shot. During the school year the team takes part in many postal matches -- The Youth of Empire, The Department of Education, the DCRA and ORA shoots. Last year we placed 11th in Ontario in the Dept. of Education Shoot, and this year we were 5th in Ontario in the ORA shoot with an average of 96.4.

So far this year, we have had one live match with Central Secondary School, which we lost narrowly (932 points to 930). We hope the edge will be with us next time.

The rifle team is a boys' team, but it is possible that a girls' rifle team may be started to compete in an ORA shoot. Stand well back from the firing point, please!

Last year's best shot was our Captain, Doug Wood, who won the Best Shot Trophy and the Hon. Mr. Justice W. R. Treleaven medal.

Finally, the one who comes down each practice we have and puts up with the noise we make is our teacher counsellor Mr. F. B. Hickox.

ART CLUB

Under the direction of Mr. Harrison, our club counsellor, the club's activities got off to a good and encouraging start. The executive and programme committee have met frequently to plan the meetings and club activities. Their efforts have been rewarded by a strong group of members who have turned out to meetings regularly.

In the fall term the Art Club's activities included head studies, poster making, sketching trips, film strips, and a visit to Erichsons to see an exhibition of drawing and prints.

Some changes were planned by the club early in January. The club will devote time to art appreciation through gallery visits, film strips and guest speakers.

Thanks should go to the conscientious members whose regular attendance and support made possible the success of this year's club. The Executive: President, Pat Raynham; Vice-President, Mary Dmytruszko; Treasurer, Eric Donovan; Secretary, Annie Omeluck.

DELTA AERO-MODELING ASSOCIATION

The Delta Aero-Modeling Association started the year with a flood of new faces. Although the winter season is the show time of year for the club we hope to have many members of our club travelling to the U.S.A., and other places in Canada for model meets in the spring and summer.

The more experienced members have played for assemblies, the Christmas Concert, and Home and School meetings.

JUNIOR RED CROSS CLUB

This year the Junior Red Cross Club consisted of approximately ten members. Our teacher-counsellor was Mrs. Kellett; Chairman, Ken Norquay; Vice-Chairman, William Shugan; Secretary-Treasurer, Stephanie Lachowsky.

We started the year off with a Beanie Day in October. Nearly 800 beanies were sold and almost every student wore his to school that day. Two classes won free class parties by having all their classmates wear beanies. We thank the students of Delta (especially the girls who helped us make the beanies) for their support.

A dime-day was held in November and the proceeds were used to re-adopt our boy in Hong Kong.

On the twenty-second of December, we invaded Eastwood Baptist Church and staged a Christmas concert for the senior citizens. Boys from the tenth cub pack entertained with their minstrel show and later tea and coffee were served. Each of the old folks received a gift from old St. Nick.

Two first aid courses were held after the Christmas holidays.

We, of the Junior Red Cross Club hope that we have been of some small service to our community.

The G. A. C., feeling lucky and brave, decided to challenge the B. A. C. to a volleyball game on Friday, December 14. An admission of 10 cents was charged, the proceeds going to the Family Service Bureau. The game turned out to be very exciting and full of laughs. The score ended in a tie. OFFICIAL'S CRESTS

In order to receive the officials' crest a girl must earn a full 8 points refereeing basketball games for two years in succession. Delta's enthusiastic badminton players had to play from the back courts until November because there wasn't any gym time. Finally we were squeezed in on Thursday night and averaged about twenty members.

The girls were disappointed though, because the boy's club met at a different time and this made mixed doubles a little difficult.

Dowin, Sims, and Kerr are a few of our strong players. We were fortunate in having Donna McCormack, last year's G. A. C. chairman come back and coach us. We really appreciated her time and effort.

We had a very good year and hope the '63-'64 club has as much co-operation and fun as we had.

Goodminton Championship 1961-1962

There were quite a few classes in this year's league. The competition was very close this year, with 9D12 being the new champs.

CHEERLEADERS

From the early spring tryouts our Cheerleader squad was reinforced with Joanne Ruttnerr, Edie Menyhart, Elaine Spracklin, Mary Jasin and Noreen Connor. The girls returning from last year's squad were Roberta Brown, Judie Levett, Diane Hamilton, Mary Ann Ilecic and Madeline Mizibrocky.

In their controvertial uniforms the girls cheered Delta's football and basketball teams on to victory.

Unfortunately Diane Hamilton, Elaine Sprackline, and Madeline Mizibrocky left the squad during the basketball season but it gave Gail Leslie a chance to join our ranks. The girls were very co-operative and enthusiastic throughout the whole year due to the excellent supervision of Mrs. Dodds. Everyone connected with the cheerleaders would like to thank her for all her time and effort.

So from the cheerleaders and myself many thanks to everyone for making our job easier and more fun.

Gayle Gregory, Manager.

SECOND ROW: Gail Leslie, Mary Ann Ilecic, Noreen Connor. FIRST ROW: Mary Jasin, Joanne Ruttnerr, Roberta Brown, Gayle Gregory, Edie Meny Hart, Judie Levett.

BOYS' ATHLETIC COMMITTEE

FIRST ROW: Terry Buddin, Wayne Titian, Larry England, John Walker, Rick Ludkin, Luigi Marcuzzi, Larry Brokenshire. SECOND ROW: Frank Day, Craig Young, Fred Sayn, Ed Stodulka, Mel Eisthen, Gary Page, Vic Ranalli.

B. A. C.

The year 1962-63 has brought an aggressive B. A. C. seeking to obtain new ideas for sports at Delta. Interested in making this year a success the B. A. C. has made plans to see if an ice-rink could be placed in the back campus, has organized a chart showing the upcoming interscholastic contests, their opponents, and place, and has engaged in a tension-packed volleyball game with the G. A. C. (really it was all one-sided.)

Fortunately for the school, the B. A. C. has Mr. Oneschuk as its teacher-counsellor. He miraculously keeps us in bounds. Indications show great success for the B. A. C. this year.

VOLLEYBALL INTERSCHOLASTIC CHAMPIONS 1961-1962

FIRST ROW: Jim Mendell, Sid Warner, Mr. Laxton, George Smith, Bill Mouriopoulos. SECOND ROW: Vic Ranalli, Al Wilson, Captain; Mike Takeda.

Last year Delta's Volleyball team succeeded in capturing the city championship in the H. I. A. C. competition.

The contest was a Round Robin Tournament in which Delta Won seven out of seven games.

Delta then entered into a two out of three game final with Central, winning the first two games and the H. I. A. C. chamiponship.

Special thanks to Mr. Laxton who has sacrificed long hours keeping Delta on top in the past few years. Last year's team consisted of Al Wilson (capt.), Vic Ranalli, Jim Mendell, Sid Warner, Jim Anderson, Roger Clayton, Bill Mouriopoulos, and George Smith.

The majority of last year's team will be back again this year under a new coach Mr. Baxter.

SENIOR FOOTBALL

FIRST ROW: Bill Gibson, Gary Rankin, Bob Healey, Sid Warner, Jim Hajas, Pat Blackham, Larry England, Roy Gunnel, John Nigro, Bill Belitski, Bob Madden, Wayne Titian. SECOND ROW: Mr. Dodds, Dave McDiarmid, Lorne Stewart, Lloyd Peterson, Bob Lewington, Adam Safka, Don Taylor, Ian Fraser, Terry Simpson, John Goldsmith, Shel Katz, Frank Tkach, Bud Crabble, Mr. McQueen, Lou Marcuzzi. THIRD ROW: Ivan Rogolja, Frank Day, Glenn Shuart, Erik Till, Joe Urban, Roger Clayton, Gary Bard, Jim Chalmers.

This year's Senior team seemed to be destined for a place in the finals. However, as the season pushed on, hopes dimmed as key injuries again hobbled players, with the result that Delta finished in third place, two points out of second.

The season began with a fine 14-0 win over Westdale, a finalist last year. Unfortunately, Central, defending champions, pinned a 33-6 setback on Delta in the second game. The big red and white squad then rallied to win the next two over Hill Park and Westdale. Both were shut-outs of 12-0 and 14-0. The stage was set for the "must game" of the year against Cathedral. Delta, leading 3-1 with two minutes left in the game lost an a 10 yard field goal from a difficult angle. The final score was Cathedral 4, Delta 3 in the hardest played game of the season. The schedule ended with a defeat by Central of 25-0.

Thanks should go to all boys who tried out for the team for an interesting and enjoyable football season. All acquitted themselves well.

Others who deserve a great deal of credit are the managers. These boys put in many hours of behind-the-scene work helping to make the team run efficiently.

The services of Mr. McQueen and Mr. Kennedy were invaluable. The team could not have operated without them. Mr. Dodds was the coach.

JUNIOR FOOTBALL

FIRST ROW: Byron Fordyce, Larry Droski, Norm Neilson, Matthew LeDonne, John Kowarski, Terry Buddin, Bob Robertson, Grant Alkerton, Rich Panchen, Rick Fagerlund, Rick Doneff, Bill Tschuida. SECOND ROW: Mr. Ahrens, Ken Lee, Pete Cooper, Bill Gombos, Don Townsend, John Sikich, Gord Christian, Jack Petrie, Ron Hyrnick, Jack Edmonds, Mr. Oneschuk. THIRD ROW: Ted Hammond, Ed Stodulka, Ron Cabak, Roger Todorovich, Ron Bohaychuk, Don Stewart, Rick Banek, Ed Carlstrome, Warren Watson, Benny Sutherland. ABSENT: Pete Doyle, David Sasookanian.

SENIOR "D'S"

FIRST ROW: Bob Madden, Wayne Titian, Larry England, John Walker, Luigi Marcuzzi, Roy Gunnell, Mel Eisthen. SECOND ROW: Vic Ranalli, Bill Lewington, Frank Day, Ed Stodulka, Dave Bell, Erik Till. THIRD ROW: Bill Gibson, Greg Munce, Gary Brewer.

SENIOR BASKETBALL

FIRST ROW: Gary Page, Ted Nelson, Sheldon Katz, Bob Madden, Bill Lewington, Dave Nasby.
SECOND ROW: Ed Stodulka, Manager; Mel Eisthen, Manager; Jim Hajas, Frank Day, Rich Veevers, Frank Kovacs, Manager; Mr. McDonald, Coach.

The Delta Senior "Red Raiders," for the third straight year, have yet to prove that they are championship contenders. At the time of this article, the boys had accumulated a 6-4 win-loss record, 12 points, and a 1st-place standing in Division "A," yet their four losses came in games against the four teams in Division "B": Westdale, Central, Cathedral and Hill Park. They had little difficulty in rolling up big scores in their victories over Barton, Westmount, and Glendale. With six boys back from last year's team, and with the same fine coach, the boys acquired a great deal of basketball know-how and experience through participation. They have yet one habit to develop--the habit of winning--consistently. On February 15, they meet the second-place team in Division "B," still undetermined, in the sudden-death semi-final game for the right to enter the finals at the McMaster Drill Hall.

Composing the team this year were boys with ability, desire and experience; boys who loved to play and who were a credit to the school: Bill Lewington, Bob Madden, Ted Nelson, Sheldon Katz, all of whom graduate this June and who have contributed much to basketball at Delta in the past few years; Gary Page, Richard Veevers and Dave Nasby, all fine ball players who will be back again next year; Frank Day and Jim Hajas, the team's "tippers" and "gunners," who added an essential spark to the team's efforts this year: Frank Kovacs, Mel Eisthen and Ed Stodulka, the faithful managers. And, of course, praise must go where it is due most--to the witty and lovable coach, Mr. McDonald, an excellent instructor of the game, who has observed the wavering fortunes of Delta basketball teams for the last five years.

The end of the basketball season, it seems, marks the end of another year. It has been an extremely rewarding one.

ATHLETICS

Much is learned, not only on the basketball floor, but in extracurricular activities in general. The student's character becomes well-balanced; he develops versatility and his interest expand. For as the needs and interests broaden, so does the personality.

As a child grows, he learns to apply the spirit of good sportsmanship to contests other than games. He tries hard to win but is not discouraged by embittered by failure. Neither is he conceited over success. Students can learn high standards of sportsmanship and citizenship on the athletic field. It is there that they learn to play fair; not to give up while the faintest chance remains, not to be discouraged by set-backs, and not to become cocky, over-confident, or over-bearing in success.

There is still a great deal of satisfaction for those that don't always win, for those that are not always champions; the satisfaction and the knowledge that they have worked hard and have done their best.

HOCKEY

FIRST ROW: Dave Bell, Terry Mykes, Steve March, Mark Nylund, Pete Doyle, Brian Knight, Bill Belitski, Gary Kay. SECOND ROW: Lou Maruzzi, Wayne Titian, Rodger Gate, Mike Murray, Ron Kirkwook, Dan Vyce, Ralph Corning, John Goldsmith, Mr. Browne. ABSENT: Phil Norton, Gerry Dion.

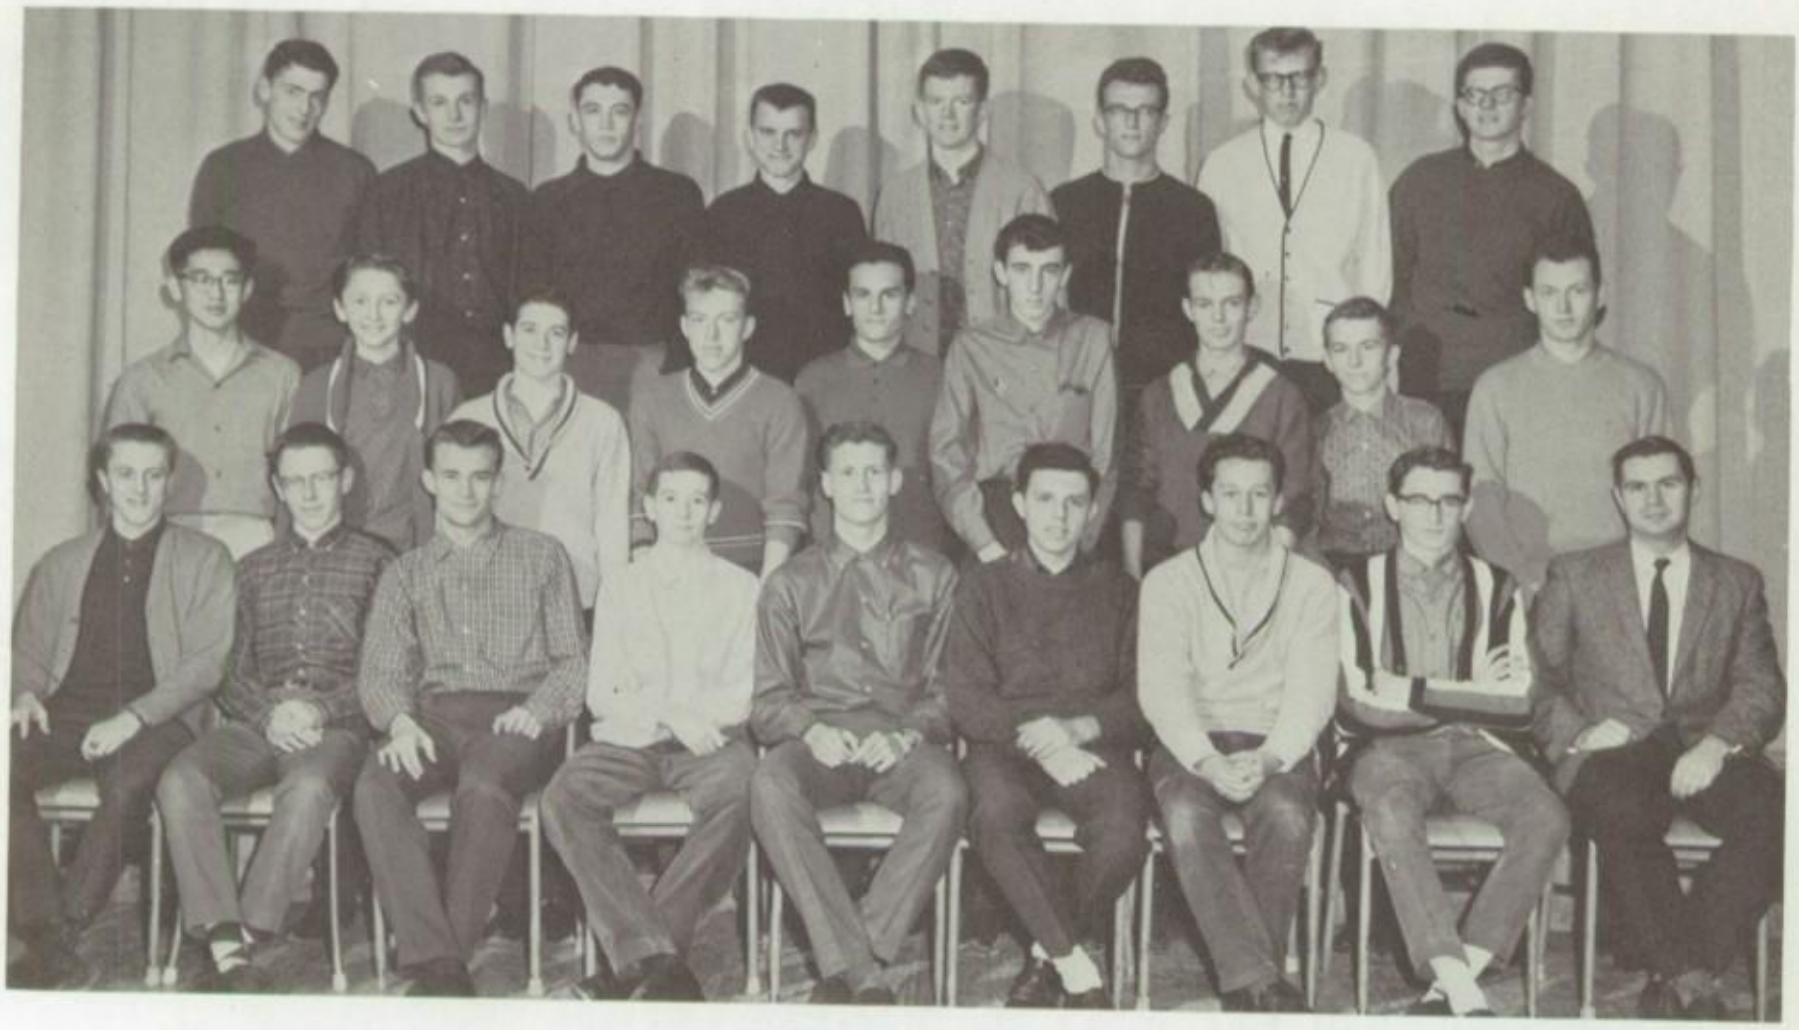
Our coaching this year has been taken over by a new teacher to the school, Mr. Browne. He is a good disciplinarian which is a great benefit to the team.

Practices have been changed from Parkdale at 4:00 to 6:00 p. m., to Scott Park rink at 7:00 to 8:00 a. m. Facilities for the teams at Scott Park are something to be desired. The players are surprised to have referees of Junior "A" caliber (Salmon).

Highlights of early games this year: Delta opened the season with a shaky game against Glendale with a win of 4-1. The second game was lost to Central, 3-1. The third game was against Barton, when Pete Doyle got his first shutout with a win of 10-0. The most exciting game to date was the fourth game in which Westdale took a lucky 1-0 lead to be tied by Ron Kirkwood, while a man short. Terry Mykes made the score 2-1 in the last minutes, a man short.

Wayne Titian--team captain, best faker, good point shot, (sin bin)
John Goldsmith--assistant captain, hard player, quiet, team man
Bill Belitski--good team player, veteran, always digging
Ron Kirkwood--most underrated player, throws mean check good shot
Brian Knight--holler man, always skating
Steve March--three year man, great potential, good stick man
Terry Mykes--spirited player, greatly improved, likes checking
Mark Nylund--highest scorer, smooth player, never misses
Dan Vyce--should be his best year yet, getting tougher
Gary Kay--smallest man on team, never quits, takes checks
Pete Doyle--best goalie in the league, excellent hands
Ralph Corning--hard shot, good rushing defenceman
Gerry Dion--good steady stand-in goalie
Roger Gate--fiery, digs in the corners
Phil Norton--late start, great potential, adjusted well
Mike Murray--good utility man
Dave Bell--Poor referee, good stick boy, better than "Benny the Ringer"
Lou Maruzzi as all people of Delta, know, is a person of little words. Rarely seen in a state of emotion, smiling Lou is the team physician. Whether the team accomplishes a championship or defeat, it nevertheless taught Lou how to skate.

HARRIER 1962-63



FIRST ROW: Gary Brewer, Dave McBride, John Kolodziejski, Don Ruddle, Fred Laidman, Brian Manorek, Peter Lawrence. SECOND ROW: Grant Inouye, Mike Grzesak, Ross Thompson, Mac Gray, Bruce Perry, Ted Byrne, Allan Skerrett. THIRD ROW: Grug Munce, Doug Porter, Bill Lewington, Bob Repa, Pete Smith, Dave Negus, Stu Thomas.

Delta's cross-country season began on a happy note this year when Delta defeated Barton, Bishop Ryan, Hillpark, and Westdale in a meet at Gage Park on October 11. In the Junior race, Delta runners placed 2nd, 3rd, 4th, 5th, and 6th in a field of 43 runners. Hillpark won the Senior race with Delta a close second led by M. Gray and F. Laidman.

In the Anavic Road Race, Delta's Midget team of D. Ruddle, B. Manocek, P. Lawrence and B. Chapple finished second to Burlington Track Club in the final team standings. D. Ruddle finished in 10th place in a field of 85 runners.

Delta was invited to Parkside High School in Dundas to compete against 5 other secondary schools. Delta's Intermediate Team took first place handily with F. Laidman 4th, T. Thomas 5th, D. Ruddle 7th, and B. Manocek 8th, in a field of 65 runners. The team standings were as follows: Delta--24; Ancaster--54; Perdue--92; Burlington--97; and Parkside--158. The squad from Delta was rounded out with M. Gray 10th, B. Repa 14th, and D. Hardie 22nd.

On Monday, October 20, at Gage Park, the DELTA SCHOOL CHAMPIONSHIPS were held. Individual winners:

Junior	Intermediate	Senior
1. D. Irwin	1. F. Laidman	1. G. Brewer
2. R. Ludkin	2. M. Gray	2. B. Lewington
3. R. Thompson	3. B. Manocek	3. P. Smith

On a cold, snowy day, Saturday, October 27, McMaster University was the scene of the Canadian Cross-Country Championships. In the two-mile Midget Race, Greg Munce was Delta's top runner placing 4th while in the 2½ mile Juvenile Race, F. Laidman led the Delta athletes.

Again the runners journeyed to the McMaster University grounds for the Hamilton Interscholastic Harrier Championships. After winning the overall Championship for the last 2 years and three of the last 4 years, Delta placed second to Westdale in this year's final standings. Delta's teams placed 3rd in Junior, 2nd in Intermediate, and 3rd in Senior. Fine races were run by R. Ludkin in Junior, F. Laidman, D. Porter and B. Manocek in Intermediate, and M. Gray, and P. Smith in Senior. Although a fine field of runners participated, no records were broken since the course was very wet and muddy.

Learning. . . . .

Yearning. . . . .

Like Napoleon's Soldier, who carried a marshal's baton in his knapsack, the young man setting our upon a career today carries with him his own chances of ultimate success. Learning power can fit him for the responsibility which accompanies earning power. Equally important, however, is that drive from within--yearning power--toward personal progress.

Stelco's progress has always been built by the progress of individuals, and there will always be places among the people of Stelco, for young men, and women, whose ambitions are based firmly on learning, earning, and yearning.

we think you should know what we know about teen-agers

Since Simpsons-Sears opened in 1954, we have met, talked to, trained and worked with a great many teen-agers.

What is our impression?

We think the teen-agers of to-day have a great deal to offer—among the things that inspire us most is their bright-eyed, business-like attitude, their willingness to learn, and their ability to get a job done.

These are the things we know, and like, about teen-agers . . . and these are the things that assure success in business and profession alike.

The future belongs to those who prepare for it—and many teen-agers have, by establishing a pattern of hard work and study, set their own course for the future. Some in engineering, some in a profession, some in retailing.

Retailing, with its many allied fields offers the student a world of careers—and wherever your particular talents lie, whether in buying, selling, personnel, accounting, publicity or store management, you'll find here positions-with-a-future, limited only by your own capabilities and initiative.

What does YOUR future hold?

What will you be doing 15 years from now? Will you be working in an interesting career that offers full scope for your talents and intelligence? Will you enjoy employment security in a changing, competitive economy?

EDUCATION will answer these questions. As Canada moves into an increasingly complex and technological age, the future belongs to those who prepare for it — through education.
